

# **MIROIR**

**A Professional Stone and Terrazzo  
Polishing and Floor Cleaning Machine.**

---

Refurbish, Maintain and Extend the Life of Your Flooring.

# THE Machine for Professional Contractors and Janitorial Services

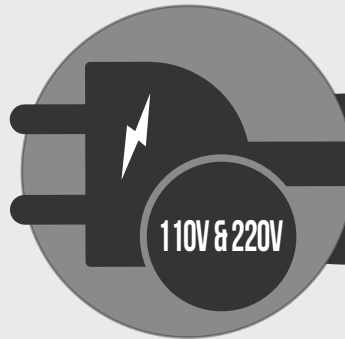

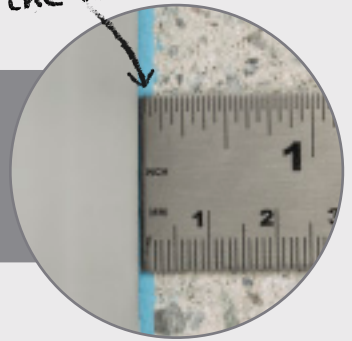

Excellent for polishing, restoring and cleaning stone, terrazzo and other hard flooring.

Use with the full line of  
**WERKMASTER**  
Tooling and Highly Effective 100%  
Biodegradable Sealers and Cleaners

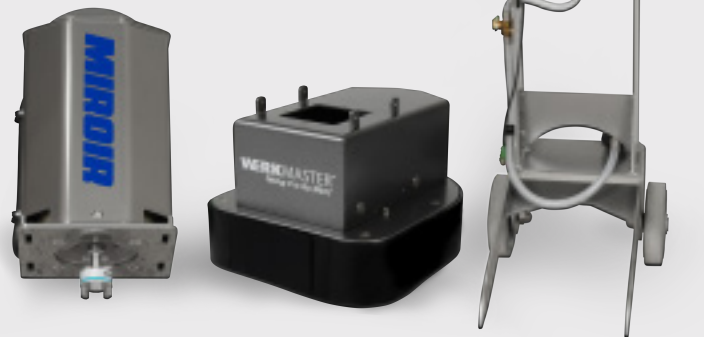

Maneuverable, agile and  
can edge to within 1/8"  
of the wall

Gets up to 1/8"  
of the wall!

Available in 110V  
and 220V models

Disassembles into 3  
components for easy  
lifting and transport

The large mouth makes it easy to fill the 4.5  
gallon (17L) water tank thus maintaining a  
good work flow. Runs wet or dry.
